

TO ENSURE YOUR SAFE AND HEALTHY STAY IN GEORGIA WE WOULD STRONGLY ENCOURAGE YOU TO FOLLOW THE INTERNATIONAL SAFETY STANDARDS AND COUNTRY REGULATIONS IN PLACE

EVERYONE IS REQUIRED TO MAINTAIN SOCIAL DISTANCE AND WEAR A FACE MASK IN PUBLIC INDOOR OR OUTDOOR SPACES, AND IN ANY TYPE OF TRANSPORT

IN CASE THE FOREIGN VISITOR IS DEEMED COVID-19 POSITIVE DURING THE VISIT TO GEORGIA

In case the foreign visitor turns out to be COVID-19 positive as a result of undergoing testing procedures, he/she will be contacted by the representative of the relevant institution.

Assessment of the health conditions of the COVID-infected person will be conducted based on a query, and the means of further treatment will be planned accordingly (redirection to the medical institution, clinical hotel, or self-isolation).

The visitor is required to cover all the expenses related to the accommodation and treatment in the medical institution and clinical hotel, as well as home supervision, the services of the doctor, all the necessary examinations.

The treatment period according to the established protocol equals 10 days, while in case of worsening of symptoms and additional necessity - at least 14 days.

Foreign visitors will be provided with the free-of-charge services of the central online clinic doctor consultations and transportation to the medical institution and clinical hotel.

The daily expenses of accommodation and meals per person, at the clinical hotel, equals appr. 80-120 GEL.

IN CASE OF HAVING CONTACT WITH THE COVID-INFECTED PERSON

In case of being in contact with the COVID-infected person, the visitor can notify 112 emergency response center and will be receiving relevant instructions on the required self-isolation or testing procedures accordingly.

In case of identified contact with the COVID-infected person, the visitor will be contacted by the epidemiologist and informed of the requirement for self-isolation.

An alternative to self-isolation - possibility of undergoing the testing procedure every 72 hours timeline while staying in Georgia (the maximum period for mandatory testing procedure equals 12 days).

In case of necessity, it will be possible to stay at a quarantine hotel (expenses for accommodation and meals per person equals appr. 80-120 GEL).
